

780TH NEWS

ISSUE NO. 8

MAY 1971

DALLAS, TEXAS

LETTER FROM JAMES R. FENDLEY 9-15-70

Sorry I am late with the dues, but the newsletter I received reminded me and sure was glad to get it. I am paying for 2 years and this should hold me till next year, till we meet at the convention, hope to see you there.

LETTER FROM RICHARD B. SIGLE 9-12-70

Another welcome newsletter arrived from and about the 780th family. Certainly was nice to hear about everyone's travels and experiences. So far I haven't been able to get around much but my oldest son has traveled to several countries in Europe and this past summer he spent all summer in Bolivia, S. America with a mission team. Maybe one of these days I can get someone to stay home and take care of things and my wife and I will take off.

Received a nice letter from my bombardier, Gene Koscinski, and sure was glad to hear from him that he wasn't mad at me anymore because you had straightened it out for me via the 780th news.

Enclosed is my \$3 for another year - you'd better stay with your job - you're doing a fine job.

LETTER FROM BILL BURTON 10-10-70

I'm late again with my dues, but I do appreciate the reminder and enjoy our newsletter very much. As yet, I haven't been able to attend a reunion of the 780th. I would enjoy to very much, but although I am able to pick my vacation date, my wife doesn't have enough seniority to be able to get hers as early as August. It is usually late Sept. or early Oct. I believe I mentioned to John Downs that she works for the Airlines which enables us to travel to places we had thought we would never see. We just came back from Hawaii last week. Last year we went to Munich, Germany. I didn't recognize the city from the ground and couldn't locate the jail where several of us had spent a night as P.O.W.'s back in 1944. Thanks for now.

LETTER FROM ANTHONY F. DE ROSE 9-8-70

Enclosed you will find my check for \$3 covering our dues for the next year 1970-1971.

I would be remiss if I did not mention the wonderful job that Mrs. Dannelly is doing. Her Newsletters are certainly welcome arrivals. I am certain that Charlie Davis would be proud of her and her efforts.

Long live the 780th.

LETTER FROM HAROLD W. MIERS 10-3-70

Enclosed is my check in the amount of \$3 for dues in the 780th Assoc. Enjoyed reading the latest newsletter and hope that someone can be found to continue as editor now that Wanda Dannelly has decided to give it up. Our good Friend Charlie had a real good thing going and it would be a shame to lose it.

Not sure yet about next summer's meeting. We are hoping to make our first trip to Europe next year to celebrate our 25th anniversary.

LETTER FROM JOHN A. FLEISHEN 9-14-70

Enclosed is two years dues to 780th Squadron. I enjoy reading the news very much.

LETTER FROM ROBERT L. BABCOCK 12-9-70

Have kept the August 1970 issue of the 780th News in with the current bills so I couldn't overlook dropping you a line.

You probably don't recall me by name but you took my wife, Marian, and me to Sunday Mass during the reunion in Dallas. We were well aware of what you were going through at

the time and we have never forgotten it.

I knew Rosser only casually and of course Dallas was the first meeting with you. You, along with Rosser and a few like Charlie Davis, have been what has kept the organization intact.

I am not an organizer, or even much of a joiner, but the 780th means a lot to me and I hate to think of you "retiring" as editor. It is a thankless job but I doubt if anyone can or would do the job you have done. I certainly urge you to reconsider. I am sure this would receive unanimous support from the 780th.

Was paging through a book on the Air Force in a book store recently and came across a picture of Col. Lokker's plane going down. I still have the original negative - legal or not. There were also some other shots that looked familiar so I bought the book and intend to do some checking when I get time.

At least several times a year I get out the Squadron History and my many pictures and spend an evening remembering. It is hard to believe how long ago it all was.

I manage to keep fairly well in touch, at least once a year, with the others of the 780th Photo Group. Namely Chet Kridler and Bob Korthanke. Also Ray Christiansen, who was in public relations work and who worked closely with us.

My wife and I certainly plan to make Minneapolis and hope you do too. Will try to do all I can to get any others I can contact to be there. There are a few fellow members in Milwaukee and I plan to make sure they know about it.

This is a lot of writing for me. I am the world's worst. Again, Wanda, please consider staying on as editor. You can rest assured it will be asked of you in Minneapolis and I wouldn't be surprised if you have had other requests. Happy holidays to you and yours and thanks, in a belated manner, for what you did for us in Dallas and for what you have done for the 780th.

LETTER FROM CLYDE E. LEWIS 4-9-71

After receiving a letter from Bob May of the 11th Bomb group saying he would appreciate hearing from someone in the 780th who could tell him about your future plans and for future reunions I looked back on my last newsletter and realized I had not sent in my dues. Will enclose them now. Always enjoy the newsletters.

LETTER FROM JACK T. KELCH 4-7-71

Enclosed is my check for \$6.00 to cover my dues. I hope this brings me up to date. Please note that I have a change of address.

LETTER FROM GERALD MUNN 9-10-70

We received your newsletter today which I enjoyed reading very much. We have moved since our last letter. In your letter you stated the dues were due. On October 15, 1968 I mailed you by check \$9.00. So this should have covered 1968, 1969 & 1970 dues. If I am wrong on it being 1970 please let me know.

(You were correct, Gerald.)

LETTER FROM ED L. YARBROUGH

Am sending my dues since the newsletter reminded me. My wife and I have just recently returned from Alaska where we did school work for two years. Here's wishing success for all of ol' 780's adventurous and successful undertakings.

LETTER FROM ROBERT TATE 7-31-70

Enclosed is my check for the next year's dues for the 780th Squadron Assoc. I thought I had better mail it in right now while I'm thinking about it.

I was looking through the old addresses and names and I noticed that one member of M. H. Stromberg's Crew was missing. This was also the crew that I served on. For your information it is as follows: Robert B. Homuth (see new list).

If my memory is correct you are a lawyer in the Chicago area. I am in need of an address and you may be able to furnish it. I am trying to find the correct mailing address of the Court Clerk's office for the Appellate Court of Illinois 1st Judicial District. If you do know the address please send it to me. (This was answered by Ed Paluch.)

LETTER FROM ASHLEY D. NELSON 9-5-70

Received the 780th News today. I, like many others I am sure, just put off sending in dues. I sure appreciate those of you who have done so much to keep the old 780th together. I have a Squadron History Book and often look thru it. I wouldn't sell it for anything.

I flew as nose gunner for Robert Baldwin's Crew. I don't believe many ever knew me by name as everyone called me Spud at that time. (Continued)

I hope to get to one of the reunions. Like some of the others I got back to Europe last year. We didn't get down to Italy but to several cities that we had bombed.
Thanks again for you who have worked so hard for all of us.

LETTER FROM THE CARL SAPORITA'S 10-1-70

Trust this finds you and your daughter well. It's always great to receive the 780th news. Carl Sr. and I read it through thoroughly and enjoy it so. What a pleasant surprise to read the Wallace's letter. Well our son, Carl, Sgt. Saporita, got home from Vietnam and we enjoyed his leave at home so much. At present he is stationed at Ft. Lewis, Washington. Last night he called us up and as always it's great to hear his voice. Thank Heavens that his year in "Nam" is behind us. Let's hope and pray all our boys will be home before long. We certainly had an extended heat wave out here. It will be great to get some of our natural air-conditioned San Francisco fog back soon.

LETTER FROM JERRY STENGER

Enclosed please find check for \$3.00 to cover my 1971 dues. We really enjoy the 780th news.

LETTER FROM B. McCRAY 9-15-70

Thanks for the newsletter. Sure hope to be at the St. Paul Reunion.

LETTER FROM A. E. STEINKIRCHNER

Don't know where I stand on dues for 780th Assoc. but enclosed is a check for \$9.00. This should at least bring me up to date. I didn't get to make the last meeting in Texas but hope to get to the next one in Minn.

Enjoyed the last newsletter and look forward to receiving the next issue. Thanks for the newsletter and will be looking forward to seeing some of the old gang next year.

LETTER FROM DONALD P. WHITE 9-30-70

Just received the Squadron newsletter and enjoyed it as always. Am enclosing my dues for another year.

LETTER FROM GERALD JACKELLEN

My apologies for the delay in paying my dues. I have been transferred to B. R. Falls and previous to that was holding 2 jobs in our Dept. of Natural Resources (one a regular assigned position and the other a larger acting position). The above is only to give an excuse which in honesty should not have interfered with dues payment. It did swamp me with work though. Enclosed is my check for \$6.00 which, if my memory serves me right, will cover to Sept. 1971.

TO MY FRIENDS OF THE 780TH: So that all of you might know from whom this information comes, I am ROBERT E. MAY, SECY-TREAS. OF THE 11TH BOMB GROUP (H) ASSOCIATION -- Back in the early days when your friend and mine, Charlie Davis, started the 780th first reunion, he wrote to me and asked me to help him start in the proper way so that you would have a sure-fire group and so that everyone would know he was sincere in wanting to get the guys together after so long a time from WW 2 days. I did help Charlie and we became good friends over the short time I knew him. I visited him in his home, with his wife, Neyl, and I told him about the many trips to Hawaii our group would take and probably other trips to different places about the globe. I also told him when we got started that I would surely invite he and members of his 780th group, to participate with us on these trips. A real fine man, was Charlie Davis. It is with my ideas I told to Charlie, that I now take this opportunity to invite all of you members and wives and children to come with us on our fabulous trips to different parts of the globe. This year, we are slow to get off the ground and as such, we are taking but a short "one week trip" to "Jamaica". Our flyer explains the details (write to me for a copy). Should you be interested to be put on our mailing list for future trips, just mark the coupon and I'll do the rest. In 1972, we plan a trip to Spain-Portugal-Morocco. There is absolutely no cost for you to be put on our mailing list. Your costs for the different trips will also be the exact costs that our regular members and their families pay. My last newsletter from you was in April 1967 and was while Mr. C. Rosser Dannelly was your president. I would hope one day to be able to visit with you, at one of your reunions, just to say "hello". My best regards, sincerest wishes for continued success with your 780th group, and I hope you have many more, happy reunions. Our 11th group meets every year, at different areas of the US and we generally have 150 or more attending. I would appreciate hearing from someone in the 780th who can tell me about your future plans and for future reunions. Thank-

ing all of you very much and hoping to hear from many of you regarding our Travel Club trips.
A Friend: Bob May, Treasurer, 11th Bomb Group T.C., P. O. Box 11, Perrysburg, Ohio 43551.

ANSWER RIGHT NOW TO BOB MAY'S LETTER 5-12-71

Dear Bob, Rather than write you a personal letter I decided that each member of the 780th should read my letter to you so trust that this will meet with your approval.

I am sorry that your name was omitted from the mailing list for I certainly remember addressing the first newsletter that my husband, Rosser, mailed to the members, but somewhere in the files, your name got misplaced during the time he was recovering from a heart attack in August 1967 -- then when I took over the job of newsletter it never came to light. We want everyone to know about the 780th and I personally want to keep this association alive.

So that you will know what has happened during the past three or four years I am enclosing with this newsletter a back issue of all letters for 1968, 1969 and 1970 and you will see very quickly that I have not gotten out as many as I should.

We trust that the attached membership list will be of interest to you and I might add if you will take a widow and child of one of the members I certainly might be interested in one of the trips in the future.

Looking forward to receiving information on all the trips and would appreciate your putting my name on the mailing list. I hope that you will accept my apology for omitting your name from our mailing list. Sincerely, Wanda Dannelly, wife of C. Rosser Dannelly.

WHAT IS HAPPENING IN ST. PAUL????

I KNOW THAT EACH OF YOU ARE ASKING YOURSELVES THE QUESTION WHY NO MENTION ABOUT THE REUNION IN AUGUST OF 1971...WELL, THE HOST CITY IS GETTING OUT ALL THE INFORMATION ABOUT THIS REUNION AND I AM SURE VERY SHORTLY YOU WILL BE RECEIVING ALL THE NECESSARY INFORMATION ABOUT THIS FROM BILL BALL, THE PRESIDENT....

LETTER FROM EDITOR -- WANDA DANNELLY

TO THE MEMBERS OF THE 780TH -- WHAT ARE YOU TRYING TO DO TO ME? Remember in the last newsletter I said I thought it was time for a change -- bring more life to the newsletter for I know by now you must be tired of the things I print. Well, I read each letter received with great interest then put them in a file to use in the last bulletin I printed. Tonight when I started putting this letter together and I read all the letters once again, I felt so warm and so undeserving of everything that was said about me. What I have done in the past was because I loved the 780th Squadron and wanted so very much to see the Association kept alive. I still feel this way and I will try and help in any way that I am needed.

I must also say I will miss seeing each of you in August at the reunion, but due to other plans (taking my daughter, Melissa, to Europe to the National Model Railroad Association Convention for a month), I will be unable to be with you. I will leave Dallas on July 28th and not return until August 25th. We will go to Spain, Germany, France, Switzer-

land, Austria, England and maybe Czechoslovakia.

I will hold all my files intact until after your reunion and you have appointed a new editor and then if there is anything I can do -- please let me know and I will be at your call.

PLEASE -- PLEASE -- don't let the Newsletter die -- I think from all of the letters printed in this newsletter it is obvious how much the members look forward to receiving one - even if it is just once a year. My best to each and every member and especially to Ed Paluch who has been great to work with and without whom I would never have been able to publish one letter. Until the next letter, your editor wishes each of you a pleasant summer and a safe one.

WANDA DANNELLY.

Following is a new up-to-date mailing list (I hope). I'm sure that there will be corrections in mailing addresses -- therefore, will you please let me know just as soon as possible....Wanda Dannelly, 5851 McCommas, Dallas, Texas 75206.

You might note that the number of letters unclaimed since our last list has increased by about 35 ... in less than a three-year period. As previously stated, the post office will only forward mail for two years and it is up to each of you to let us know when you move. We can only do so much.
